

Bedsheet Distribution Programme

30th of December 2018, Duration of Event : One Day

Location : Ambedkar Nagar, New Delhi

Project Title

One Colour of Happiness - With You
(At Blind Care Centre, Delhi)

Project Summary

This project aims to bring joy and comfort to the residents of a Blind Care Centre in Delhi by engaging them in interactive activities and distributing essential items such as bed sheets, fruits, and sweets. The initiative seeks to enhance the well-being and happiness of the residents, fostering a sense of community and support.

Objectives

- To provide emotional support and create a joyful environment for the residents of the Blind Care Centre.
- To distribute essential items such as bed sheets, fruits, and sweets to enhance the residents' comfort and well-being.
- To engage the residents in interactive and enjoyable activities, fostering a sense of community and inclusion.

Target Audience

- Residents of the Blind Care Centre in Delhi.
- Staff and caregivers at the centre.

Project Duration

01 day (30th December 2018, Day – Sunday)

Project Activities

1. Distribution of Essential Items

- **Bed sheets:** Provide new, comfortable bed sheets to all residents to improve their living conditions.
- **Fruits:** Distribute fresh fruits to ensure the residents receive nutritious snacks.
- **Sweets:** Distribute sweets to bring a sense of celebration and joy to the residents.

2. Interactive Activities

- **Music Sessions:** Organize music sessions where residents can enjoy live performances and participate.
- **Storytelling Sessions:** Engage volunteers to stories to the residents, providing entertainment and mental stimulation.

Expected Outcomes

- Increased happiness and emotional well-being among the residents of the Blind Care Centre.
- Improved living conditions through the distribution of new bed sheets.
- Enhanced nutritional intake with the provision of fresh fruits.
- A sense of celebration and joy through the distribution of sweets.
- Positive engagement and inclusion through interactive activities.
