

# Mission Meera

19th of October 2019, Duration of Event : One Day

Location : Udaypur, Rajasthan

## Project Review

Mission "MEERA" in Udaipur, Rajasthan

## Project Title

Mission "MEERA"

**Collaborators:** Shrinathji Seva Sansthan, Ashoka Leyland Driver Training Institute, Government of Rajasthan

**Organized by:** Shining Souls in collaboration with Shrinathji Seva Sansthan

## Introduction

Mission "MEERA," organized by Shining Souls in collaboration with Shrinathji Seva Sansthan, aimed to empower individuals in Udaipur, Rajasthan, by providing comprehensive driver training and facilitating the acquisition of driving licenses. This project was executed in collaboration with Ashoka Leyland Driver Training Institute and supported by the Government of Rajasthan.

## Objectives

- **Empowerment through Skill Development:** Provide high-quality driver training to enhance employability.
- **Facilitation of Licenses:** Assist participants in obtaining learning and permanent driving licenses.
- **Community Upliftment:** Promote economic independence and self-reliance through skill acquisition.

## Programme Outline

### 1. Driver Training

- **Institute:** Ashoka Leyland Driver Training Institute
- **Curriculum:** The training program included theoretical and practical lessons on safe driving practices, vehicle maintenance, and road safety regulations.
- **Participants:** A diverse group of individuals from Udaipur, especially women, participated in the training.

## 2. Licensing Process

- **Learning Licenses:** The first phase of training concluded with the issuance of learning licenses on 19th October 2019.
- **Permanent Licenses:** Participants who successfully completed the training were assisted in obtaining their permanent driving licenses.

## Impact

- **Skill Development:** The training program equipped participants with essential driving skills, significantly enhancing their employability in the transportation sector.
- **Economic Empowerment:** Many participants have reported finding employment or starting their own transport services, leading to increased economic stability.
- **Community Benefits:** The project promoted road safety awareness and created a pool of skilled drivers, contributing to safer roads and more reliable transport services in the region.

## Feedback

- **Participants:** Many trainees expressed their gratitude for the opportunity, highlighting the comprehensive training and support provided throughout the licensing process.
- **Community Leaders:** Local leaders praised the initiative, noting its positive impact on employment and road safety.
- **Collaborators:** Representatives from Shrinathji Seva Sansthan and Ashoka Leyland Driver Training Institute commended the successful collaboration and expressed interest in continuing such initiatives.

## Conclusion

Mission "MEERA" in Udaipur, Rajasthan, has been a resounding success. Through collaborative efforts with Shrinathji Seva Sansthan, Ashoka Leyland Driver Training Institute, and the Government of Rajasthan, Shining Souls has effectively empowered individuals by providing essential driving skills and facilitating the acquisition of driving licenses. The project's positive impact on employment and road safety underscores the importance of such initiatives in community upliftment and development. Shining Souls remains committed to expanding and sustaining such beneficial programs in the future.
